MAHASKA COUNTY GUIDELINES

1. Petroleum products and used oil are not allowed.
2. Width of application must be at least 20 feet wide.
3. **Permit applicant is responsible for placing and maintaining Flags as well as "DUST CONTROL" signs at each end of the treated surface. "DO NOT BLADE" signs must be removed and replaced with "DUST CONTROL" signs. If not removed, the County will remove the signs. County is not responsible for broken or damaged signs.**
4. **The County reserves the right to blade the road at any time and is not responsible for lost dust control.**
5. The permit is valid until October 1, 2021, after that date, Mahaska County will blade or rock the road as needed for winter preparation.
6. Mahaska County has no obligation and will assume no responsibility for the dust control product or application. Complaints regarding the performance of the dust control product should be directed to the applicator.

MAHASKA COUNTY 2021 DUST CONTROL POLICY

It is again time for dust control planning for the 2021 season. Completing the Permit Application complies with the Mahaska County Board of Supervisors Resolution on Dust Control dated March 02, 2020, and signals Mahaska County Secondary Roads to prepare the roadway for application of your preferred dust control product. We have enclosed our updated application form for the 2021 season and included a copy of your 2020 permit. **The 2020 copy is for your reference only, please do not return as your 2021 permit.** You **MUST** fill out a new permit for 2021.

All permit application(s) and fee(s) must be returned to the Mahaska County Secondary Roads Department Office at 2074 Old Hwy 163 in Oskaloosa. The following dates are tentative and subject to change per the County's schedule. All application(s) with fee(s) received by Mahaska County by April 19, 2021, will be available for treatment by your selected applicator May 17, 2021. **If you miss the April 19, 2021 deadline, you WILL NOT be able to get your road treated until June 1st.** Second applications will not be applied until July 26, 2021.

Mahaska County will forward to your selected applicator notice of your permit application. **You are responsible for contacting the applicator, making payment, and marking each end of the dust control length.** Flags for marking as well as Dust Control signs are available at the Mahaska County Secondary Roads Department office or from your applicators. Flags and Dust Control signs are no longer available at the Supervisor's office in the Courthouse.

Approved application contractors and their dust control products are:
