

FOR IMMEDIATE RELEASE

July 1, 2024 – OSKALOOSA, Iowa – Public invited to informational meeting regarding the US-63 to IA-23 – SE Connector Project.

As part of the US-63 to IA-23 SE Connector project, Mahaska County and the City of Oskaloosa will hold a public information meeting on July 23rd to introduce the project to adjacent property owners and answer any questions regarding the project.

In addition to the construction of a new roadway connecting US-63 to IA-23 on the southeast side of Oskaloosa, the project will also include the addition of turn lanes along US-63 and IA-23. Project construction is anticipated to begin in Spring 2025.

The map below illustrates the preliminary location of the new connector.

The meeting will take place from 5:30 – 6:30 pm at the Environmental Learning Center located at 2342 IA-92 Oskaloosa, IA 52577.
