**RESOLUTION  
SPEED LIMIT**

WHEREAS; The Board of Supervisors is empowered under authority of Sections 321.255 and 321.285 Subsection 7 of the Code of Iowa to determine, upon the basis of an engineering and traffic investigation conducted by the Iowa Department of Transportation, that the speed limit of any secondary road is greater than is reasonable and proper under the conditions existing, and may determine and declare a reasonable and proper speed limit, and

WHEREAS: Such investigation has been requested and completed and the County Engineer has concurred with the recommendation of the department.

NOW, THEREFORE, BE IT RESOLVED by the Mahaska County Supervisors that the speed limits be established and appropriate signs erected at the locations described as follows:

- 40 M.P.H. -- on Laveen Avenue from 800 feet north of 238<sup>th</sup> Street south to 238<sup>th</sup> Street.
- 30 M.P.H.-- on Laveen Avenue from 238<sup>th</sup> Street south to the North Corporate Limits of Oskaloosa.

Approved October 16, 2000

S/ Greg Gordy,  
Chairman Board of Supervisors

Attest: s/Kay Swanson

Team Mahaska had requested estimates for needed improvements to the Secondary Road System. The Engineer gave the board a memo of the request from Team Mahaska for Infrastructure estimates. The period considered is the next 20 years. Costs were in today's dollars. This was information only.

It was moved by Cox seconded by Groenendyk to approve Schuring's Sub-division plat a part of NE ¼ of Section 14, Township 76 North, Range 17. All ayes. Motion carried.

The engineer presented the board with the petition for establishment of a Secondary Road Assessment District under Chapter 311, Code of Iowa, as amended. This petition encompasses the properties adjacent to the gravel road and described as follows: 230<sup>th</sup> Street beginning at its intersection with Highway 63, then East to the intersection with Lynn Avenue, then North to the North property line of the Bruce and Cynthia Peiffer property at 2264 Lynn Avenue, a total distance of approximately 3300 feet. The purpose of this petition is to provide for the construction of a 5 inch asphalt paving of the road surface with driveway fillets. Based on an estimated cost of \$165,000.00, which covered the asphalt paving only as determined by the County Engineer. Petitioners agree to contribute up to 75% of the costs of the project which are to be apportioned to those landowners with property bordering the present roadway, with each landowner paying an equal share. Joint ownership of a property will be considered a single landowner. Landowners with multiple properties in the assessment district will be considered a single landowner.

It was moved by Groenendyk seconded by Cox to reject this petition and to inform the petitioners to file a new petition with the specifications of the Engineer's memo of August 18, 2000 prior to December 1, 2000. All ayes. Motion carried.

The board discussed culvert sales to individuals and to dealers with the engineer. The engineer will investigate the matter and report back at a later date.

Meeting adjourned.
